

RTBG Fact Sheet on End of Year Gatherings

Visitors to the Botanical Gardens must comply with the rules of entry and the [Royal Tasmanian Botanical Gardens Act 2002](#). To help us provide a wonderful experience for all visitors please:

- Request permission for any large gathering or event on 6166 0541 or rtbg@rtbg.tas.gov.au – we may have a private event scheduled for the same time, so we need to properly manage who enters the Gardens.
- Obtain permission for commercial photography and pay a licence fee when working in the Gardens.
- All visitors are responsible for their own safety and for their vehicles and possessions. The Gardens is not responsible for any loss or damage when visiting.
- Please keep clear the entry gates, disabled parking spaces and loading zones to avoid being towed.
- Work with us so we can advise of any activities that may impact your visit, for example, the Gardens may need to close due to weather conditions.

We want to avoid this in the future:

SO PLEASE NOTIFY US via phone 6166 0541 or email rtbg@rtbg.tas.gov.au
